NCDA'S SECOND CENTURY

Our Legacy Continues

NCDA'S SECOND CENTURY INITIATIVE

NCDA celebrates its 100th Anniversary in 2013. To commemorate this remarkable event, NCDA is launching a Second Century Initiative. As a major contributor, you will strengthen the foundation which bridges NCDA's 2013 Centennial celebration to its second century. NCDA's leadership is essential in advancing career interventions, programs, and policy. Its member-led research efforts and commitment to educate the public about resources is essential. Few conversations at the dinner table, classroom, or policy board go without mentioning the need for career assistance.

Our fundraising goal is set at raising \$200,000 by the end of the centennial year. As an NCDA member, we invite you to play a significant role in launching this initiative. The fund will be used to expand NCDA's leadership development, research, and public education and visibility over the next five years.

Second Century Resources will be committed to:

1. Expand Leadership Academy to ensure a quality succession plan for future NCDA Leadership
2. Create targeted research program to build public awareness of career development interventions/effectiveness.
3. Create a Next Generation NCDA Website

All donations are tax-deductible. Please consider supporting NCDA's future.
